PARENT PAYMENT ARRANGEMENT

YEAR 1 - 2022

Dear Parent/Carer,

Parkwood Green Primary School is looking forward to another great year of teaching and learning. We endeavour to continue the outstanding learning programs and resources offered to our students. To support this vision, we would like to advise you of our voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil standard Victorian Curriculum and we want to assure you that all contributions are voluntary. The ongoing support of our families ensures that our school can offer quality educational opportunities to further enrich the learning and teaching programs for students.

The environment and resources that we enjoy today represent the contributions made by our families over many years. Voluntary contributions make a significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your support in previous years has allowed us to:

- Provide subject specific materials, equipment and resources for English, Mathematics, Science, Visual Arts, Performing Arts, Inquiry, Language and Physical Education
- Maintain our school grounds with play equipment, play areas, trees and build our Indigenous Garden
- Update our library resources
- Maintain and upgrade our ICT devices and resources
- Develop STEM resources with Sphero's, Makedo's and Bee Bot robots
- Provide students with a range of Literacy and Numeracy digital and online subscriptions
- Provide effective first aid treatment
- Provide a comprehensive Wellbeing program that supports the school community
- Offer a variety of lunch time clubs

Volunteers and fundraising events also assist our school and the programs we can offer. We sincerely thank our school community for all their contributions.

Payment Methods

All parents/carers will be given the option to pay in instalments.

To further assist parents with payments, four options have been developed:

- A. Full Amount – via Compass
- B. Instalments via Compass or paid at Office (credit or debit card, cash or cheque)
- C. Payment Plans can be organised through Compass
- D. Alternative payment arrangements - please call office to discuss other available options

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's [Parent Payment Policy](#) or the [Financial Help for Families Policy](#). School Council has the responsibility to ensure there is a fair and equitable refund system in place following payment for Camps/Excursions/Incursions and to ensure parents provide information to the school in a timely manner.

The DET Student Resource Package (SRP) helps meet staff salaries and most operational costs, it does not cover contingencies, Enriched Learning Programs and planned improvements within the school. Voluntary parent financial contributions help bridge the gap between DET SRP and budgeted annual expenditures.
