POLICY

1. School profile

Welcoming families through our gates since its establishment in 2004, Parkwood Green Primary School has proudly built a strong reputation within the community. Located in the suburb of Hillside - part of the outer growth corridor of Western Metropolitan Melbourne. We are a large multicultural school with 796 students, who love to celebrate the diversity and uniqueness of our students and staff. From Harmony Day to designing our own Indigenous Garden, and everything in between, culture and community is important to us.

We are constantly reinforcing and strengthening our whole-school approach to the teaching of literacy, numeracy and STEM. This commitment is emphasised with the introduction of the PMSS initiative in science, thus enhancing and demonstrating the ongoing commitment of all staff to develop their professional teaching and learning skills to the highest level. Students are supported by our dedicated teachers and wellbeing team to develop and foster life-long learners to reach their full potential.

Inspiring students to be active participants in their learning, we encourage and promote student voice and agency. Inclusiveness with our students includes ILP's, where collaboration between staff, parents, and students achieve appropriate learning outcomes. Our teachers strive to meet the needs and strengths of students through differentiation and the use of 21st century learning.

Families form an integral part of the learning experience through our strong volunteer base and allow us to provide valued and necessary programs. Our successful Kitchen Garden Program is led by a qualified nutritionist, facilitated by a qualified horticulturalist and supported by numerous volunteers.

We embrace our families to celebrate the learning accomplishments of all students. Special Persons Day, Footy Day, Book Week, Science Week, our annual Christmas Concert and Art Show are just some of the events our families are able to attend and come together to unite our diverse and inclusive community. Creating a positive learning environment that empowers and supports students will encourage a sense of belonging and build a strong school community at Parkwood Green.

At the end of each school assembly we always conclude with "Look after one another"

Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour as documented in the Responses to Negative Behaviours documents (Appendix A)

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. APPENDIX A

Positive Recognition

April 2021

Why Should We Do It?	When Should We Do It?	How Do I Do It?
<p>Recognising students for following rules, directives, directions, participating, etc, is one of the most effective tools for managing, promoting, and correcting undesired behaviours. Children respond far much better typically to positive reinforcement then negative. Numerous studies continue to support and validate this social dynamic.</p>	<p>The big and very small things students do correctly/appropriately. When students are exhibiting appropriate behaviours, following rules, displaying our values, are on task, using materials properly, utilizing their time well, are organised and prepared, do something nice for one another, pay attention etc. As frequently as possible.</p>	<p>Students indicate a 6:1 ratio, or 6 confirmations, praise and approvals for every 1 criticism or disparagement.</p> <p>Important! When giving praise, it is essential that you display a positive affect or demeanor while doing so. Express excitement and that you are pleased. This will increase the effectiveness of the technique.</p>

ClassDojo

- Class Dojo's are used as one way to positively recognise and encourage good behaviour.
- Class Dojo's are given for students using one of the 4 school values (Respect, Responsibility, Resilience and Empathy)
- Dojo's should be given to students when working on their **personal goals** and **communal class** goals
- Students receive 1 Dojo at a time and each goal is worth 1 point
- Whole Class Dojo's can be given for communal goals (have a class Mojo, to track whole class privileges)
- Once students get to 10 Dojo's they receive an agreed upon privilege (students and teachers collaboratively agree on class privileges at the beginning of each term)
- To minimise disruption to learning time, students can only visit another student/class/teacher during the 2nd eating time
- Students will need a privilege slip to book in time if visiting another class to eat their lunch
- Students can choose to hold onto their 10 Dojo's and build up to 30 Dojo's for a 'Principal's Afternoon Tea'
- Bobby will communicate when Principal Afternoon Tea will occur (generally a few times a term on a Friday afternoon).
- Once students have used their privilege, Dojo's get **wiped back** to 0 to start again

This is what our school values look like as positive behaviour.
